

To all Clarios business partners

## **BREXIT Preparations at Clarios**

Dear valued business partner,

As the United Kingdom will leave the European Union internal market and customs union on 01<sup>st</sup> January, 2021 we have re-activated our BREXIT preparation actions.

This includes among a lot of other things that we have already reviewed our current business models relating to the upcoming changes as well as that we have successfully applied for all needed customs authorizations in the United Kingdom to be able to guarantee a smooth flow of customs handling with the United Kingdom starting 01<sup>st</sup> January, 2021.

We will provide you with further details, such as contact details of our customs broker in UK, as soon as possible.

In case of any questions in the meantime regarding customs formalities and our BREXIT preparation actions. Please feel welcome to contact our central customs team in EMEA via email [EMEA-CentralCustoms@clarios.com](mailto:EMEA-CentralCustoms@clarios.com) or to call our Trade Compliance Manager Ms. Natalie Wollschlaeger under +49 511 975 2024.
